

# Lincoln Uinta Child Development Association

## Parent Participation

### **Participation in the process of making decisions about the nature and operation of the program**

- Become an active member of your local Parent Committee
- Become a Policy Council Representative
- Talk with other parents and staff about the program and ways they can help
- Share information and ideas with other parents and staff

### **Participation in the classroom**

- Visit the center and see how your child works and plays with other children
- Volunteer time to work with children in the classroom
- Help staff prepare materials for the activities they are doing with the children
- Help with field trips

### **Activities for parents which they have helped to develop**

- Help plan an educational program in an area of interest to you
- Join our Parent Committee which may sponsor activities and programs which benefit families in your child's preschool
- Join our Health Advisory group and work together on community problems which are of common concern

### **Having fun with your child at home**

- Get ideas from staff about things you can be doing with your child to help continue the learning experience started at the preschool
- On Home visits, share your ideas of activities you would like to experience with your child
