

Lincoln Uinta Child Development Association

Mission

To improve outcomes for children by supporting families, and designing services to best meet the needs of individual children within the community.

Vision

Lincoln Uinta Child Development Association (LUCDA), in partnership with community and government agencies, is dedicated to identifying and meeting the needs of young children, birth through five, and their families in a manner which is nurturing, supportive, and individualized. Through expanding and comprehensive programs, LUCDA is committed to assisting each child to achieve his or her full potential, by developing those skills which provide the foundation for later school and life success. In collaboration with parents, caregivers, and community members, LUCDA is dedicated to promoting self-esteem, social competency, and school readiness through positive, active learning experiences. LUCDA will provide the highest quality early intervention and early childhood programs to ensure that all children share equally in opportunities to learn, play and grow.
